

➤ RANCHWORX® INSULATED

RWDI

PREMIUM LEATHER, ALL DAY COMFORT

Premium Bullwhip® leather combined with a soft, brushed fleece liner will keep your hands warm and comfortable all day long. The double layer, extended stretch cuff keeps out wind and snow, while the quilted leather and window-cut Ironclad impact protection are sure to make a favorable impression. Our best looking, most comfortable, leather winter glove. Rated to 30°F/-1°C.
